ARDF equipment pricelist (October2016)

(All prices in EUR, without shipping)

Receivers:

●	COMPACT3,5F	120,-
	DC receiver 3,5 MHz	
●	SUPERFOX3,5M	220,-
NEW!	superheterodyne 3,5 MHz, synthesized VFO	
●	SUPERFOX3,5MX	260,-
NEW!	superheterodyne 3,5 MHz - digital tuning with memories, timer	
●	SUPERFOX 145E	200,-
	superheterodyne 144 MHz	
●	SUPERFOX 145DX	260,-
	superheterodyne 144 MHz - digital tuning with memories, timer	
●	MONITOR 2014	600,-
	fully automatic 4-channel digital monitoring station for ARDF contests	
●	FINDER09 option	50,-
	all SUPERFOX receivers can be optionally equipped with electronic compass with memory and audio output to the headphones	

Transmitters:

●	MICROFOX HF	60,-
	miniature HF transmitter, adjustable code, frequency, keying speed and timing	
●	MICROFOX VHF	60,-
	miniature VHF transmitter, adjustable code, frequency, keying speed and timing, dipole antenna	
●	TRAINER 2015	260,-
NEW!	HF/VHF automatic PLL synthesized transmitter for training and national competitions, 1W output Li-Ion accumulator, adjustable code, keying speed, frequency and timing	
●	CONTEST 2012	470,-
	HF/VHF automatic PLL synthesized transmitter for any level of competition, 3W output, Li-Ion accumulator, built-in automatic antenna tuner, charger, RTC, adjustable code, keying speed, frequency, output power, timing and delayed operation, IP64 covering	

Other equipment, accessories

●	MINISTART 4 miniature electronic starter	60,-
●	PGMCONTEST PC USB programming interface for CONTEST transmitters	200,-
●	SIPRINT evaluation and printer station for SportIdent cards	700,-
●	N28 charger for all receivers with NiMH accumulators	17,-
●	N40 charger for all receivers with LiPo accumulators	18,-
●	SN12 charger for the set of TRAINER or CONTEST transmitters	70,-
●	T840 sophisticated tester for receiver accumulators	18,-
●	SL28 headphones (rugged, lightweight, high sensitivity)	15,-
●	Anti-theft cable locks for ARDF transmitters, unified keys	15,-/pc
●	Antenna elements set for C144/145/145E	15,-
●	Antenna elements set for SF145E/DX	18,-
●	Whip antenna for C3,5/SF3,5/C3,5F/SF3,5F/SF2002/SF3,5GX	1,-
●	144 MHz transmitting turnstile antenna for TRAINER/CONTEST transmitters	20,-
●	3,5 MHz wire antenna+counterpoise for TRAINER/CONTEST transmitters	10,-
●	accumulator option for COMPACT3,5F	+14,-
●	PGM option for TRAINER transmitters (allows programming via PGMCONTEST)	+20,-
